## OUTDOOR HEATING AND THAWING

Atlantic Canada 902 435 9899

Ontario, Quebec & West 416 752 3339

Powerblanket's® Multi-Duty and Extra-Hot line of products are perfectly suited for ground thawing, ice/snow melting, site preparation including sub-grade thawing, utility excavation, and other heating applications.

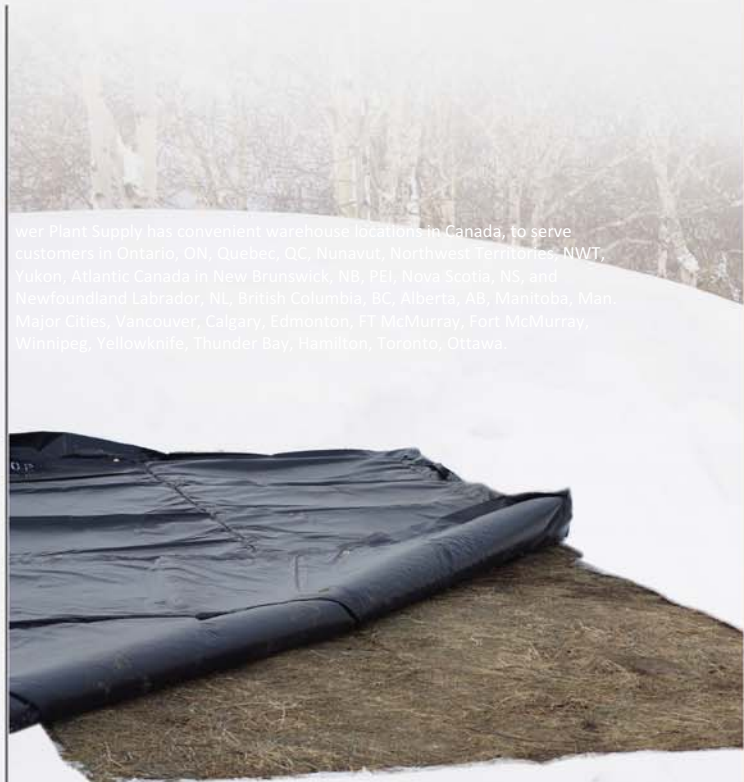

### GROUND & PIPE THAWING

Powerblanket® thaws frozen ground for concrete preparation, sub-roughs, footings, utility excavation, & other cold winter weather construction applications. Melt and prevent snow and ice accumulation from driveways, walkways, roofs and more. Thaw frozen pipes fast without the need of propane burners or bulky thawing equipment.

### MOTOR & EQUIPMENT WARMING

Electric Powerblanket® motor warming & equipment heating blankets protect machinery from freezing in cold winter weather. Engineered to keep engine fluids warm, hoses & pipes safe, and machinery tubing from cracking & breaking. Thousands of customers use Powerblanket® to protect their outdoor appliances, equipment, & machinery in harsh winter climates. Just roll it out, plug it in, & watch how Powerblanket's® patented heat spreading technology heats & protects on contact.

- ❖ Thaw 6"-18" within 12-24 hours
- ❖ Extra hot blankets available for even faster thawing and melting
- ❖ Heat outdoor motors, equipment, recreational vehicles, and shop floors
- ❖ Ideal for melting snow and ice build-up on sidewalks, driveways and roofs
- ❖ Available in 12V, 120V or 240V

Power Plant Supply has convenient warehouse locations in Canada, to serve customers in Ontario, Ontario, Quebec, QC, Nunavut, Northwest Territories, NWT, Yukon, Atlantic Canada, New Brunswick, NB, PEI, Nova Scotia, NS, and Newfoundland Labrador, NL, British Columbia, BC, Alberta, AB, Manitoba, Man. Major Cities, Vancouver, Calgary, Edmonton, FT McMurray, Fort McMurray, Winnipeg, Yellowknife, Thunder Bay, Hamilton, Toronto, Ottawa.

# PRODUCT GUIDE

## \*MULTI-DUTY BLANKETS:

- **11' X 23' MULTI-DUTY BLANKET**  
Cure concrete, thaw frozen ground and pipes, melt snow and ice.
- **6' X 25' MULTI-DUTY BLANKET**  
Cure concrete, thaw frozen ground and pipes, melt snow and ice.
- **10' X 10' MULTI-DUTY BLANKET**  
Lightweight. Used for thawing ground & curing foundations and walls. Heat sand and aggregate.
- **3' X 25' MULTI-DUTY BLANKET**  
Cure concrete and thaw frozen ground. Designed for footings, sidewalks, curb, gutter and other odd sized jobs.
- **12V NOW AVAILABLE**  
For smaller thawing and curing jobs we now offer a 2' x 2' and 4' x 4' Multi-Duty 12V Blanket

## \*EXTRA-HOT BLANKETS:

- **6' X 12' EXTRA-HOT BLANKET**  
Rapid ground thawing. Extra hot temperatures melt ice and snow in record time. Ideal for utility digging.
- **4' X 9' EXTRA-HOT BLANKET**  
Designed for extreme cold conditions. Thaw frozen ground, ice, and snow fast. Ideal for utility digging.
- **4' X 5' EXTRA-HOT BLANKET**  
Heat and protect engines and motors. Thaw frozen ground, snow and ice even in extreme conditions.
- **2' X 2' EXTRA-HOT BLANKET**  
Multiple uses for smaller applications.

\* When ordering product requiring UL/CSA approval reference the NH (Non-Horizontal) series.  
 \*\* The MD1123NH (Multi-Duty 11x23 Non-Horizontal) Product requires the use of a dedicated 30 Amp service and therefore is built with a 30 amp male plug.  
 \*\*\* The EH0612NH(Extra-Hot 6x12 Non-Horizontal) Product requires the use of a dedicated 20 Amp service and therefore is built with a 20 Amp male plug.

U.S. Patent Nos. 7,183,524 \ 7,230,213 and Patents Pending

Powerblanket® guarantees it's products to be free from defect in material or craftsmanship.
